Terms and Conditions

- WearCheck reserves the right at any time in its sole discretion to change the terms of payment applicable to a customer. Unless otherwise provided, all payments for goods supplied and services rendered by WearCheck shall be paid in full within 30 days from the date of statement. If the customer fails to pay any amount owed to WearCheck on due date, WearCheck shall have the right without notice to suspend the supply of goods and/or services and in particular to withhold the diagnostic results of any samples which have been analysed. In such event WearCheck shall not be liable for any loss or damage incurred by the customer, and the customer indemnifies WearCheck against all claims of whatsoever nature arising out of any such suspension or withholding of results including such claims by third parties.
- The Customer hereby consents to the jurisdiction of the appropriate Magistrate's Court for the purpose of any litigation between the Supplier and the Customer notwithstanding that the amount involved would otherwise exceed the jurisdiction of the Magistrate's Court. The Supplier, however, reserves the right to institute such proceedings as may be necessary or as it may be necessary or as it may be advised in any competent division of the High Court of South Africa.
- The Customer agrees that in the event of the Supplier instituting legal proceedings against the Customer due to default by the Customer, the Customer shall be liable to pay the Supplier all legal costs so incurred including attorney and client costs, tracing charges and collection fees.
- All contracts concluded between the Supplier and the Customer shall be construed and governed by South African law.
- Ownership of any goods supplied by the Supplier remains vested in the Supplier until the purchase price in respect thereof has been paid in full, but the risk of damage to the goods shall pass to the Customer on delivery of the goods.
- Credit will only be passed on goods that are returned in full and in the same condition within 30 days from date of invoice.
- WearCheck shall not be obliged to pass any credit of any nature due to the loss or misplacement of goods, unless such loss is attributable to the Supplier's negligence and has occurred whilst the goods are in the Supplier's possession.
- WearCheck shall not be obliged to undertake any analysis of the contents of samples kit(s) returned to it which have been purchased more than 3 (Three) months prior to receipt by WearCheck of the sample(s).
- Prices are subject to automatic increase to cover any statutory cost increases of fuel, materials, labour, duty or surcharge.
