

# Supplier Information Sheet

## Supplier Statement

As South Africa enters its 3<sup>rd</sup> wave of the Coronavirus COVID-19 virus, WearCheck remains committed to ensuring the safety and welfare of our employees, visitors, customers, partners, stakeholders and our communities. We would like to request your support in ensuring that we continue to operate in a safe environment.

We kindly request, as a partner to WearCheck, that you **do not** attend a WearCheck site if **any** of the following statements apply:

1. If you have been to a country in the last 10 days that has been identified as a risk by the National Public Health Authority. If your country's National Public Health Authority does not state country risk level for the COVID-19 outbreak, then please default to the World Health Organisation ([www.who.int](http://www.who.int)) or contact your WearCheck representative.
2. Are feeling unwell or experiencing any symptoms (Cough, High Temperature, Fever)
3. Have been in contact with anyone who has travelled internationally within the last 10 days **AND** they are unwell or experiencing any symptoms (Cough, High Temperature, Fever)
4. Have been in contact with anyone either confirmed or suspected of having the COVID-19 Virus within the last 10 days.

If you have any concerns or questions, please do not hesitate to reach out to your WearCheck representative.

*Thank you for helping to keep WearCheck a safe environment for all.*
